

# Pre-Hospital Trauma Life Support (PHTLS)

*PreHospital Trauma Life Support (PHTLS) is the world's premier prehospital trauma education developed in cooperation with the American College of Surgeons to promote critical thinking in addressing multi-system trauma and provide the latest evidence-based treatment practices.*

**NAEMT's Prehospital Trauma Life Support (PHTLS) is recognized around the world as the leading continuing education program for prehospital emergency trauma care. The mission of PHTLS is to promote excellence in trauma patient management by all providers involved in the delivery of prehospital care through global education. PHTLS is developed by NAEMT in cooperation with the American College of Surgeon's Committee on Trauma. The Committee provides the medical direction and content oversight for the PHTLS program. PHTLS courses improve the quality of trauma care in your area and decrease mortality. The program is based on prehospital trauma care philosophy, stressing the treatment of the multisystem trauma patient as a unique entity with specific needs. This may require an approach to the trauma patient that varies from traditional treatment modalities.**

**PHTLS promotes critical thinking as the foundation for providing quality care. It is based on the belief that, given a good fund of knowledge and key principles, EMS practitioners are capable of making reasonable decisions regarding patient care. The PHTLS course is continuously updated and revised to keep up with the advances in the field, ATLS Guidelines and feedback from PHTLS participants.**

**NAEMT Course Approval# PH-17-3019-03**

**Date: Monday, March 20, 2017 and Tuesday, March 21, 2017**

**Time: 9:00AM - 6:00PM**

**Location: NBCEMS Station  
105 Bill Watson Drive, Johnson City, TX**

*PHTLS is accredited by the Continuing Education Coordinating Board for Emergency Medical Services (CECBEMS) and is recognized by the National Registry of EMTs (NREMT). Students who successfully complete the PHTLS course will receive a certificate of completion that is valid for four years.*

Cost	No Textbook
Initial Course	\$115
