Basic Life Support (BLS) Hybrid Course

WHAT:

The AHA's BLS course trains participants to promptly recognize several life-threatening emergencies, give high-quality chest compressions, deliver appropriate ventilations and provide early use of an AED. Students will need to complete the online portion and pass a quiz before attending the skills session. You MUST provide your course completion certificate prior to your skills session or forward the email with your quiz results to emseducation@ltfr.org.

WHEN:	Online At your convenience.	Skills Session Sept. 28, 2022 1:00 p.m. -- 4:00 p.m.

COST: Online: $32.50 + Skills: $25.00 Total: $57.50
